HOPE BAPTIST CHURCH  
PLYMOUTH

Hope Baptist Church situated in the historic City of Plymouth is a member of the Baptist Union of Great Britain attracting both local people and visitors from around the world. Hope is a family place where everyone is welcome whenever they are in the English West Country. On Sundays well over 200 regularly attend the relaxed and vibrant worship services, with around 35% of those attending being under the age of 18.

220 Integra chairs installed in February 2006

The church on Peverell Corner was completely refurbished, developed and extended in 2006 to create an open flexible space for seating up to 250 people. The church building has to lend itself to a variety of events and a great number of uses during the year, including a Community Fun Day attracting more than 500 from the Local area and a regular barn dance with more than 100 revellers!

When Hope Baptist Church made the decision to remove their pews they looked at a few companies and viewed a selection of sample chairs. One of the chairs from Rosehill was the Integra chair. The Church thought this chair had the right aesthetics for the building. It is comfortable with a thick seat pad as well as the practicality of a built in bookbox. Members of the congregation had previously sat on this chair in other churches who were happy to recommend Rosehill.

The new seating has been excellent for creating a weekly community café, mums and babies group and more variety in the youth and childrens programmes of the church for games, quiz and cinema nights.

“The purchase of chairs from Rosehill has significantly enhanced the look of this warm and welcoming venue, providing a very relaxed and comfortable setting for people to come and explore faith issues and meet new people from their community.”

Andrew Gardiner, Minister

**KERRY BAPTIST CHURCH  
NEWTOWN, POWYS**

Kerry Baptist Church is a member of the Baptist Union of Great Britain. Built in 1824 the Chapel is situated in the village of Kerry, near Newtown, Mid-Wales. In 2009 the members of the Chapel decided to have the interior of the Church refurbished. All of the pews and the pulpit were to be removed and central heating installed.

Kendal Stacking Chair (B105) stacks 10 high

Three of the deacons from the Chapel decided to visit the Rosehill Furniture showroom in Cheshire to view the full range of chairs. After much discussion (and after sitting on lots of different styles and types of chairs) the members decided to purchase 42 of the Maxim Deluxe Stacking chairs and 60 Kendal Stacking chairs. The stacking chairs were to give more flexibility in both the main worship area as well as the meeting room at the back of the Chapel. The same fabric was used on all the chairs to provide continuity when they are all laid out. The members also decided to purchase 6 of the Lightweight Folding Tables which can be stored easily but are useful for Sunday school and coffee mornings.

Maxim Deluxe Stacking Chairs (A161) and Lightweight Folding Tables (E115)

"We are all very pleased with both types of chairs. **The Chapel now has a much more welcoming feel.** The stacking chairs and folding tables help make the building more flexible."

Elwyn Pugh, Chapel Secretary
