"Rosehill upholstered, stackable chairs have given us the flexibility needed in a multi-functional church building along with the aesthetical attractiveness conducive to an atmosphere of worship"

Customer Comment

150 R56 Coronet Roll Front chairs were installed at the Elim Pentecostal Church, Clacton-On-Sea. The new chairs replaced old chairs which were also supplied by Rosehill, the old chairs lasted very well but in this day and age higher levels of comfort and practicality are available and so the church took the decision to renew the seating.

The new chairs are much lighter so stacking them away is not nearly the workout it used to be and have an elasticated book pocket for convenient book storage that still allows the chairs to be regularly stacked away for the youth meetings that take place every Thursday.

Rosehill Furniture Group are proud to offer a Five Year Guarantee on all our products and have a large range of metal and wooden furniture.
