

Chipping Campden Masonic Lodge

50 Churchill Deluxe chairs installed; October 2005

The Masonic Lodge in Chipping Campden resides within the walls of an 18th century building which was the Kings Head Pantry before the Freemasons took up residence. The Masons have the details of a mortgage for the building from 1745. They have kept the old building looking great and the downstairs is let to an Italian restaurant.

"The chairs are perfect for our needs and have been admired by the members and visitors to the Lodge"

Customer Comment

The original chairs which had wooden seats, were getting old and uncomfortable. Rosehill Furniture Group's new comfortable chairs are greatly appreciated by all the brethren and fit in well with the existing furniture as the beech frames were stained to match.

Customer Comment

The Freemasons moved from their old address into a building they had spent 5 months refurbishing. Having spent more than 50 years in the old building the size and layout of the new building is far superior and with the different types of furniture supplied by Rosehill Furniture Group now allows for practical flexibility in the form of tables that fold away neatly, comfortable chairs that stack and the good looks and feel of solid wooden chairs. The first meeting in the new Masonic Temple was held on 4th January 2006 and the new temple is now available for social gatherings, meetings, banquets, conferences, weddings and a whole host of different functions.

Our showroom is open to anyone who would like to visit and our staff will be pleased to see you.
