PRODUCT DESCRIPTION

The Postura Stool is a great durable model for classrooms and labs. The Postura Stools have a simple minimalist style with a contoured seat and slimline skid base frame in an EPC finish. The seat is stain and UV resistant and really easy to clean. You have the choice of 15 colours to fit in to any environment. When you need to clear your space the stools are easily stacked, up to 6 high. The impact resistant stools have a hook on the back which allows safe storage of bags underneath each seat. With this model you can choose between the standard seat, or opt for the high back version. The latter is shaped for superior ergonomics and matches the standard [Postura Poly chairs](#). If required there is the option to add on a seat pad for increased comfort. The stools like the chairs are designed to last and have a **20 year guarantee**.

- Lightweight and stack 6 high
- Available in three heights
- Standard seat or high back option
- Hook on the back of the seat for storing bags tidily
