Churchill Deluxe Chairs

Churchill Deluxe chairs (A183) with a Solid Ash Frame (H207), Keyhole Links (H301) and Curved Bookboxes (H209)

A superbly crafted superior chair with a large 11" back pad for increased back support and a deeper seat for increased comfort. The ultimate in dignified comfort.

Churchill Deluxe Chair A183

Inclusive of an 11" (280mm) back pad for optimum back support.

Curved seat for greater comfort.

Solid Beech hardwood frame.

500mm wide as standard with the option to increase the width if required.

Shown in exhibition fabric.

W: 500mm D: 595mm H: 840mm 

- One of our most comfortable chairs at a highly competitive price within the market
- Armchair available
- Deeper seat and back pad for greater support and comfort
- The optional Keyhole Linking Device (H301) enables these chairs to form a straight row or an arc
- Mortise and Tenon joints

Curved Bookbox (H209).

Hardwood Bookbox (H201).

Faith Chairs

Faith Stacking chairs (A137) with Keyhole Links (H31) and Back Pad Curved Bookboxes (H204)

The optional Keyhole Linking Device (H301) enables the chairs to link in a row forming bench seating whilst still providing the flexibility of chairs.

A large, spacious and comfortable chair designed to imitate a pew, the Faith chair offers the practicality of individual chairs with the traditional aesthetics of pews.

- The Faith Chair is available either with underails (A135) or with just the back rail and side rails (A134)
- Large comfortable seat pad
- Put together the chairs form bench seating

Arms (A130) are available and armchairs make a nice end to the row. If required we can supply just a left or just a right arm.

All joints are finished to Rosehill's high standards.

Large seat pads ensure comfort and allows extra capacity when used as bench seating, i.e. four people on three chairs.

Optional Non-Marking Foot Ferrules (H702), prevents noise and scratches on wooden or stone floors.

How to Order

Rosehill are happy to accept orders in numerous ways. The quickest and easiest is to order online through the shop at www.rosehill.co.uk and go through the checkout. If you need to discuss your requirements or any advice on the products you can call our sales team. We can then email through detailed quotations with everything itemised. This can be helping for getting approval or funding applications. A quotation can then be confirmed back by email, post or in person at our showroom.

Rosehill also accept official purchase orders. If we aren't already set up as a supplier on your system email the forms through to sales@rosehill.co.uk and we will complete and return them within 1 working day.

Fabrics & Finishes

Most products which include upholstery are manufactured to order in any contract quality, fire retardant material. This includes fabric, vinyl, faux leather or Customers Own Material (COM). Below is a small selection of colours from the most popular ranges we offer. For the full ranges and to check your colour choice we strongly recommend requesting fabric cards or swatches from our sales team. Please note while as accurate as possible the printed colour matches cannot be guaranteed. For full testing information (select details listed below) or certificates please see the fabric manufacturers' websites.

Samples

To request fabric or frame samples please call 0161 485 1717 or email your details to sales@rosehill.co.uk. If you would like to try the chairs before proceeding with an order you can either visit our showroom in Cheshire or call to discuss our Sample Service. We are also happy to provide references in your locality.
