CONTRACT FURNITURE

Beam Seating

Our selection of beam seating is a high-quality seating choice, perfect for your waiting room or reception. These are made to order, and you can customise the upholstery and frames to fit your requirements. The beams include a freestanding frame as standard which can be replaced with a fixed-to-floor frame if preferred. This page includes our most popular beams. For more information and additional styles and designs please visit www.rosehill.co.uk

Ikon

The Ikon Beam seating range is a modern and durable model that features a unique back shape with stylish clean cut lines. Available with all plastic seats and backs, a padded seat or fully upholstered seat and back pads.

- Two, three, or four seater beams
- Angular frame in black or silver with an upgrade of chrome available
- Made to order with FR vinyl or fabric upholstery
- Options include replacing a seat with a table or adding arms

About Rosehill

Rosehill have been supplying quality contract furniture for GP surgeries, clinics, waiting rooms, care homes and other public buildings since our inception in 1982. We are dedicated to providing our customers with greater choice, quality and service at the best possible value.

At Rosehill, we promise to assist you from design to after-sales. Our expert team understand the market and can tailor your order to suit your exact requirements. We have over 30 years' knowledge and experience in the industry, so you can feel at ease knowing that you're in safe hands. We take pride in our quality products which are built to last, and we offer great value for money. Our service doesn't just stop there, even years down the line, our aftercare team are on standby to offer a helping

hand with any replacement orders or help you with queries on maintaining your furniture. We value our loyal customers, and we look forward to building a long-lasting relationship.

Rosehill are proud to have a long-standing history within the furniture industry. It's our unique history and our knowledge of the market which sets us apart from the rest. We're committed to quality, and our standards have continued to excel over the last 30 years. Now, we supply furniture globally, and are proud to have a brilliant British heritage.

Rosehill have a showroom at our head office in Cheadle, Cheshire. Here you can sample a selection of our range of chairs and tables. Our helpful staff will be on hand to answer any questions and help guide you in the right direction.

How to Order

Rosehill are happy to accept orders in numerous ways. The quickest and easiest is to order online through the shop at www.rosehill.co.uk and go through the checkout. If you need to discuss your requirements or any advice on the products you can call our sales team. We can then email through detailed quotations with everything itemised. This can be helpful to for getting approval

or funding applications. A quotation can then be confirmed back by email, post or in person at our showroom.

Rosehill also accept official purchase orders. If we aren't already set up as a supplier on your system email the forms through to sales@rosehill.co.uk and we will complete and return them within 1 working day.

Any discounts should be applied prior to confirming your order and will not be applied retrospectively. All pricing on the website should be up to date but changes are at the discretion of Rosehill management. All orders are subject to acceptance from Rosehill. Full Terms and Conditions available on request.

All dimensions listed are metric (mm) and as accurate as possible.

Colours and finishes shown are as close as the printing process allows. To check the match please contact Rosehill for fabric, wood or poly samples.

Fabrics & Finishes

Most products which include upholstery are manufactured to order in any contract quality, fire retardant material. This includes fabric, vinyl, faux leather or Customers Own Material (COM). Below is a small selection of colours from the most popular ranges we offer. For the full ranges and to check your colour choice we strongly recommend requesting fabric cards or swatches from our sales team. Please note while as accurate as possible the printed colour matches cannot be

guaranteed. For full testing information (select details listed below) or certificates please see the fabric manufacturers' websites.

Samples

To request fabric or frame samples please call 0161 485 1717 or email your details to sales@rosehill.co.uk. If you would like to try the chairs before proceeding with an order you can either visit our showroom in Cheshire or call to discuss our Sample Service. We are also happy to provide references in your locality.
